IAC Membership Application

The Intertribal Agriculture Council (IAC) was founded in 1987 to promote the Indian use of Indian resources for the benefit of reservation communities. We've taken major strides toward rebuilding the foundations of Indian agriculture and Land use. Membership dues for the coming year are due prior to the Annual Membership Meeting, regional caucuses and elections at the annual meeting. In order to vote on caucus issues and elections, a member Tribe must have their dues paid and a delegate in place at the Membership Meeting. Please join us in this effort on behalf of Indian People.
